Sonicláb Elektronika Kft. is committed to protecting your privacy and ensuring you have a positive experience on our website. This policy outlines our personal information handling practices for both online and offline data. If you give us personal information, we will treat it according to this policy.

This policy covers the Sonicláb Elektronika Kft. website and is applicable worldwide. Some of our related companies or programs may have their own, possibly different, policies. We encourage you to read this privacy policy and those of all websites you visit.

Collection of your personal information

We will always tell you before we collect any Personal Information and inform you of the - purpose of the collection. "Personal Information" is any information that can be used to identify an individual, and may include, but is not limited to, name, email address, postal or other physical address, credit or debit card number and other information required to provide a service, deliver a product, or carry out a transaction you have requested. Some of the reasons we collect your Personal Information include:

- registration of an account
- use of certain features of our products or services
- placement of a transaction or order

Uses of your personal information

We will only use your Personal Information in the way we specified when it was collected. We will not subsequently change the way your Personal Information is used without your consent. Some of the ways we may use your Personal Information include:

- To process your orders and deliver the products and services that you have ordered.
- To keep you up to date on the latest product announcements, website updates, special offers, and other information. This may occasionally include information from other technology companies about products and services that can add value to your Soniclab Elektronika Kft. services and products.
- To provide support and assistance for our products and services.
- To provide the ability to create personal profile areas and view protected content.
- To provide the ability to contact you, and provide you with shipping and billing information.
- To provide customer feedback and support.
- To provide marketing or promotional activities on the soniclab.com website. Personal Information may be collected to administer those programs.
- To meet contract obligations.

Updating your personal information.

Please notify us of any changes to your Personal Information. You may make these updates or request deactivation of your account by sending an email to info@soniclab.com.

Unsubscribing

You may unsubscribe from Soniclab Elektronika Kft.'s various newsletters by sending a letter, including your name, email address to:

Non-personal/anonymous information collection

In some instances, Soniclab Elektronika Kft. may collect non-personal (aggregate or demographic) data through cookies, web logs, and web beacons. This information is used to better understand and improve the usability, performance, and effectiveness of the website. Please read the "Cookies" section below for more information.

Sharing your personal information

We do not sell or rent your Personal Information to third parties for marketing purposes. We may share your Personal Information within Sonicláb Elektronika Kft. for purposes of data processing or storage.

We may also share your Personal Information with business partners or contractors in order to provide a requested service or transaction, including processing orders, processing credit card transactions, hosting websites and providing customer support. We only provide these third parties with the minimum amount of Personal Information necessary to complete the requested service or transaction, and the third parties are not permitted to use your Personal Information except for limited purpose of completing the requested service or transaction. We may respond to subpoenas, court orders, or legal process by disclosing your Personal Information and other related information, if necessary. We also may choose to establish or exercise our legal rights or defend against legal claims. We may collect and possibly share Personal Information and any other additional information available to us in order to investigate, prevent, or take action regarding illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person, violations of Sonicláb Elektronika Kft.'s terms of use, or as otherwise required by law.

While navigating Sonicláb Elektronika Kft.'s web site you may be directed to content or functionality that is hosted by a third-party supplier, not on sonicláb.com. This is typically done to organize online payments. When information is collected on behalf of Sonicláb Elektronika Kft. exclusively, Sonicláb Elektronika Kft.'s privacy policy will be referenced on the site and will govern how your information is used. For other, non-Sonicláb Elektronika Kft. sites, the site owner's privacy policy will be referenced. It is Sonicláb Elektronika Kft.'s practice to require such suppliers to handle information in a manner consistent with Sonicláb Elektronika Kft.'s privacy and security policies.

We will ask for your consent before we use or share your information for any purpose other than the reason you provided it or as otherwise provided by this policy. In order to let us know your preferences, we will require an action on your part, such as checking the appropriate option, to indicate your consent.

Security of your personal information

Sonicláb Elektronika Kft. is committed to protecting the Personal Information you share with us. We utilize a combination of industry standard security technologies, procedures and organizational measures to help protect your Personal Information from unauthorized access, use or disclosure.

When we transfer sensitive personal data (for example, credit card information) over the Internet, we protect it using Secure Sockets Layer (SSL) or Transport Layer Security (TLS) encryption

technology. While we strive to protect your Personal Information, we cannot ensure the security of the information you transmit.

Cookies

Like many websites, Soniclab Elektronika Kft. uses technologies, such as cookies and web beacons, which allow us to make your visit to our website easier, more efficient and more valuable by providing you with a customized experience and recognizing you when you return.

A cookie cannot read personal data off your hard disk or read cookie files created by other sites; indeed, the only Personal Information a cookie can contain is information you supply yourself. Accepting the cookies used on our website may give us access to information about your browsing behavior, which we may use to personalize your experience and track user traffic patterns, and to merge this info when you register. We do this in order to determine the usefulness of our website information to our users and to see how effective our navigational structure is in helping users reach that information. You may browse most of Soniclab Elektronika Kft.'s website without accepting cookies from Soniclab Elektronika Kft.; however, some website functionality may be lost by disabling cookies on your computer. Other Soniclab Elektronika Kft. web pages, particularly those which require a login and password, require cookies and cannot be used when you have disabled cookies in your browser. In addition, Soniclab Elektronika Kft. uses web beacons in conjunction with cookies to understand user behavior. Web beacons are simply a convenient way of gathering basic statistics and managing cookies, and do not give away any extra information from your computer. Turning off your browser's cookies will prevent web beacons from tracking your specific activity.

If you prefer not to receive cookies while browsing our website or via HTML-formatted emails, you can set your browser to warn you before it accepts cookies or refuse the cookie when your browser alerts you to its presence. You can also refuse all cookies by turning them off in your browser.

Data retention

Soniclab Elektronika Kft. will not retain your Personal Information longer than is necessary to fulfill the purposes for which it was collected or as required by applicable laws or regulations.

Linked websites

Our websites may provide links to other third-party websites which are outside our control and not covered by this policy. We encourage you to review the privacy policies posted on these (and all) sites you visit.

Children's privacy

Soniclab Elektronika Kft. does not knowingly collect Personal Information from children under the age of 13. If we learn that we have collected Personal Information on a child under the age of 13, we will delete that data from our systems. Soniclab Elektronika Kft. encourages parents and

guardians to go online with their children. Here are a few tips to help make a child's online experience safer:

- Teach children never to give Personal Information (such as name, address, phone number, school, etc.) unless supervised by a parent or responsible adult.
- Know the sites your children are visiting and which sites are appropriate.
- Look for website privacy policies. Know how your child's information is treated.

Please visit the government official website for more tips on protecting children's privacy online.

Transfer of personal information

We may transfer your Personal Information to any Soniclab Elektronika Kft. to third parties acting on our behalf for the purposes of processing orders or data storage.

Questions or comments?

Should you have any privacy-related questions or comments related to this privacy policy, please send an email to info@soniclab.com.

Policy updates

Soniclab Elektronika Kft. may amend this privacy statement from time to time, and at any time. We will post a notice whenever this privacy statement is materially changed. Your continued use of the Soniclab Elektronika Kft. website after any change will signify and confirm your assent to those changes.
